**April 2018 edition**

The Open Day was a great success with over 80 members and friends attending. We had 12 prospective new members with five applying for membership on the day. A warm welcome to our new members and I hope you have a happy time with our club.

The refurbished clubhouse and facilities looked great as did the green and surrounds, so a big thank you to Paul and Trevor and the team who worked so hard over the winter months.

Don't forget to check the notice board for the tea rota and any events which may interest you. If you have anything you would like to share in the newsletter, bowls-related or not, please email me.
