**June 2018 edition**

On the tournament front, Mary's team at Fairlight won three of their four matches but narrowly missed a place in the final. Jean, Neville and Len were unable to capitalise on a good start at Parade but enjoyed the day. Paul's teams in the Abergavenny Cup brilliantly progressed to the second round but found White Rock, comprising of some hardened county players, too strong.

The green has been disappointing so far this year but is on the road to recovery thanks to George's expertise and dedication in fixing the faulty watering system which was a major factor in the green's demise.

More names are regularly required for all matches and please try to put your name down at least a week before you would like to play. Also, when leaving the club, please remember to scramble the numbers after closing the combination locks.

To mark our 50<sup>th</sup> anniversary, the club has ordered celebratory pens which will be issued to all club members and selected visitors. Also, your committee has authorised the purchase of a defibrillator for exclusive club use. Fran has kindly undertaken to use her specialised knowledge to advise on its selection.

Finally, our landmark match against Griffin Bowls Club was a great success enjoyed by members and visitors alike. Many thanks to all those whose hard work made the day so memorable.
