

Hellingly Bowls Club

Club Newsletter

August 2018 edition

Our Open Triples Day this month was a resounding success with the trophy going to Seaford Crouch after a gripping final with their town rivals, Seaford. Plaudits must go to Jean and her team of willing helpers who made the day so memorable and raised over £1250 for the club.

The club also hosted a visit from the combined Hellingly, Ropemakers and Nightingales Women's Institutes in a joint fundraiser. Under the skilful coaching of club members, several ladies displayed a hidden talent for the game.

Bank Holiday saw two outside tournaments, with Hellingly fielding teams at Motcombe and Coleman's Hatch. Paul, George and Kate excelled by winning the Coleman's hatch event with a last end decider, modestly described by skip Paul as "thrilling"

The committee is constantly looking at ways to improve the club and the playing experience, and to this end, George has devised a member's questionnaire which when the results are collated will, hopefully, go some way to achieving this.
