

Hellingly Bowls Club

Club Newsletter

September 2018 edition

The club's 50th anniversary year was a great success and will be looked back on with affection. Many thanks to all those who worked hard to make it so memorable.

The AGM was well attended with lively discussion. Brian Burt was elected new Men's Vice Captain and we wish him every success and are sure he will do a great job.

Looking forward, please check the website for winter events and good luck to those playing indoors this winter.
