

# Potters 2018

Sunday 15<sup>th</sup> April to Friday 20<sup>th</sup> April

5 Nights

I hope you had a great time this year at Potters. I know it's a long way off but I have already started looking at the feasibility for next year. I know that some of you are concerned about getting there and how that features now in your decision as to whether to go again. Up to now we have been very lucky by having sufficient volunteers to drive everybody. I fear that will not necessarily be the case next year.

With this in mind I have been checking out the cost of having a coach. I have found that the cost of the coach depends on several things, predominately numbers, so before I take this any further I need to establish the following:

Do you want to go to Potters?

Do you want to have a coach to get you there and back for the 5 night stay?

Do you want to use your own transport for the 5 night stay?

Do you want to stay for 4 nights - Monday to Friday - and use your own transport?

Please use the tear off slip on the bottom of this page and let me know your answers by **28<sup>th</sup> August 2017**

Once I have everybody's reply I can plan accordingly and update you with the full details. What we do need above all is to get at least 21 names on the list who want to go. That way I can once again ensure you a good price.

If you think that bowlers from other clubs might like to join us then I see no problem with that. The more the merrier !!

Think about it and let me know. It is your holiday after all.
